Dear Paul:

Many thanks for your letter of August 3 informing me of the resolution of your committee concerning the composition of the group of American librarians who intend to visit the USSR under the official exchange agreement. As you know, I have been acting in the capacity of a consultant to the International Relations Committee. In that capacity I am forwarding your letter to Mr. Jack Dalton, Chairman of IRC, with a copy to Mr. David Clift who is acting for Mr. Dalton until the latter returns from overseas the middle of this month.

Sincerely yours,

/s/  
Melville J. Ruggles
